

WHAT YOU CAN EXPECT FROM **uS**

Put your safety first and take every step we can to provide you with a Covid-19 ready safe and secure home

Provide clear health and safety advice for you and your flatmates to follow, including specific Covid-19 guidance

Help you settle into your home and provide 24-hour support

Work closely with our university partners to ensure we're aligned on how best to support you

Provide a wellbeing service enabling you to access relevant support and guidance

Make our buildings more sustainable, buy 100% renewable electricity, and report publicly on our activity in this area

Provide opportunities for students to engage and participate in community life

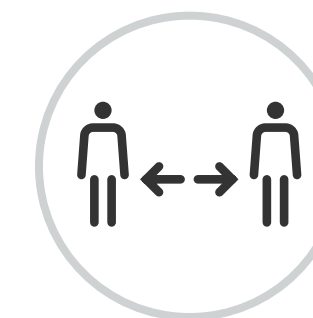

HOME CHARTER

Working together to create an environment that you can thrive in.

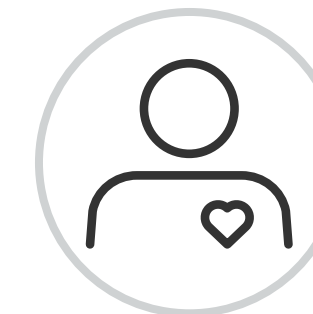

WHAT YOU CAN EXPECT FROM **EACH OTHER**

Follow Unite Students' guidance on conduct, fire safety, hygiene and Covid-19 social distancing

Treat your peers, our employees, and the wider community with respect

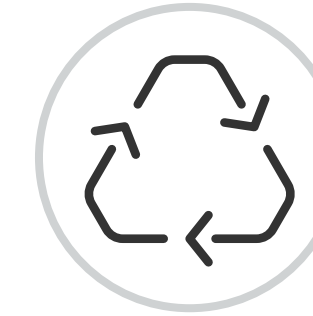

Share communal spaces and facilities fairly while keeping them clean, hygienic and Covid-19 safe

Take responsibility for your behaviour, owning the consequences and trying to resolve any issues as they arise

Reduce your environmental impact by recycling waste, conserving energy and not wasting water

Engage each other in conversation, communicate how you feel and respect each other's differences

Agree to keep noise down when necessary and take action to ensure you don't disturb one another
